IMPORTANT UPDATE FROM FOOD SERVICES

Fri Jan 19, 2018 3:34pm

Effective second semester, Tuesday, January 23rd, food service will allow students to continue to make purchases using cash or through their lunch accounts. Purchases that are made through student lunch accounts will require the student to scan their student id. Students will no longer be able to complete purchases through the keypad option. This change will help ensure that students are making purchases from the correct lunch account.

NOTE TO PARENTS: Nicolet will no longer offer parents the option to set spending limits on student lunch purchases. Please talk to your child about the appropriate spending limits for your family.
